

Dear Potential Corporate Sponsor:

Finally, after 10 years, and scouring every city owned property, the Eureka City Council has approved a fenced-in, off-leash Dog Park in Eureka. It will be located behind the General Hospital Campus. Unfortunately, designating the land as a Dog Park does not mean the city has the resources needed to build the park. The Eureka Dog Park Committee, an all-volunteer group of citizens, is working to raise the funds and materials to make the Eureka Dog Park a reality.

This is where your partnership with the Eureka Dog Park can make a difference. By donating to the Eureka Dog Park, businesses like yours will help purchase important items such as fencing, signage, bathrooms, and other necessities for the Dog Park. Together, we can help families in our community by providing a safe place for off-leash play without the risk of dogs running away, being hit by cars, or bothering people participating in other activities.

Off-leash play benefits all members of the community. Dogs who are exercised regularly are better neighbors. They are quieter, better behaved, and are friendlier with both people and other dogs. Dog Parks promote responsible dog ownership. Dog owners learn “doggie manners” from other owners who use the dog park on a regular basis. However, this park isn’t just for dogs. It is for dog owners who want to exercise their beloved pets in a safe environment and socialize with people who have similar interests.

As local residents we are completely dedicated to this important cause, but we cannot do it alone. We sincerely hope you will become a Corporate Sponsor of our Dog Park. As a Corporate Sponsor you will receive special recognition, be associated with a quality community service project, have the opportunity to invest wisely in our community, and have your business promoted through the Eureka Dog Park website, our e-mail newsletters, and our Facebook page. We currently have 268 individuals and businesses signed up to receive our e-mails and over 400 fans on Facebook, and everyday these numbers grow. Will you help us make a difference?

All levels of sponsorship will be appreciated and 100% of your donation will go directly to the building and development of the Dog Park. Corporate Sponsors who donate a \$1,000.00 or more will be honored with a plaque at the Dog Park. This is a great way to raise awareness and provide important visibility for your business among dog lovers in our community. A corporate sponsorship form is included for your convenience. Please call Amy at (707) 599-0371 today to find out more about how you can help. We greatly appreciate your support and thank you for all that you already do for our community.

Sincerely,

Amy Washburn
Eureka Dog Park Secretary
